

## **NCCA CURRICULUM LINK**

In addition to the NCCA Guidelines Our whole school planning includes the following programmes that are a learning requirement for our pupils and are carried out on a daily basis

- An Oral motor Skills programme
- Monthly themes for Core vocabulary
- Can Do Reading Programme
- Conversation Cards on topics - FoodDrinks Treats AnimalsPlaces SportsTV
- Conversation Development Questions – personal/ family/school / activities/ time
- The SESE Functional Language & Communication
- SESE- Social Skills/ Orientation Programme of St Vincent's School allows the pupils to explore the local environment moving from the immediate class to school environment. The next stage is the grounds and campus of St Vincent's Centre, moving on to the local shops, and local shopping Centre areas.

Parents/guardians may request a copy of any of the above/ monthly learning target/s by contacting the class teacher.

Pupils and staff use a range of augmentative and alternative communication strategies, including objects-of-reference (OoR), photographs, pictures, object schedules, visual schedules, PECS (Picture Exchange Communication System), Lámh.
